

Event Brief – Plastfocus 2028

Plastfocus 2028, the **3rd edition** of India's flagship exhibition on plastics, packaging, and machinery, will be held **from 10–15 February 2028 at India Expo Centre & Mart, Greater Noida, Delhi-NCR**. Jointly organised by the **Plastics Machinery Manufacturers Association of India (PMMAI)** and **India Exposition Mart Ltd. (IEML)**, the exhibition has rapidly grown to become South Asia's most comprehensive platform for the global plastics value chain.

With more than **1500 exhibitors**, **1,80,000 trade visitors**, participation from **80+ countries**, and spread across **1,00,000 sqm of exhibition area**, Plastfocus 2028 will showcase the latest technologies, innovations, and solutions driving the future of plastics. The event will feature **live machinery demonstrations, product launches, and dedicated zones for sustainability, recycling, smart manufacturing, and automation**, making it a global stage for business growth and technological exchange.

Plastfocus 2028 offers unparalleled opportunities for **exhibitors to connect with decision-makers, buyers, investors, and international delegations**, while visitors can discover innovative solutions, source products, and engage in knowledge-sharing sessions including conferences, seminars, and panel discussions.

With a strong emphasis on **innovation, collaboration, and sustainability**, Plastfocus 2028 is more than just an exhibition – it is a catalyst for partnerships and progress in the plastics industry. As a meeting ground for global industry leaders, entrepreneurs, and innovators, the show promises an unmatched experience of scale, networking, and business opportunities, reaffirming its stature as the **premier international plastics event of South Asia**.
