BharatPlastovation

10-15 FEBRUARY 2028

From Make in India to **Made for the World**

FY2024–25 plastics exports reached **USD 12.5 billion**, signalling strong demand

April 2025 exports **grew 8% Year-over-Year** to **USD 979 million**, with **11 of 13 product** panels expanding

India's plastics industry is valued at **₹3.94 lakh crore (USD 47 billion in 2025)** and is projected to reach **USD 126 billion by 2028**, growing at over **6.5% annually**.

Policy momentum: **EPR compliance and a national tracking portal** are formalizing the market and catalyzing circular growth.

Government-backed cluster expansion: **10 approved Plastic Parks** to reduce costs, scale MSMEs, and boost competitiveness.

Rising shares of **FIBC**, **consumer houseware**, floor coverings, and medical items in export baskets.

The sector directly employs over **4 million people**.

Hub of **exports, innovation, and MSME-led manufacturing**.

Plastics Fueling Innovation Across India's Growth Sectors

Packaging & FMCG

Largest consumer of plastics, powering food, retail, and e-commerce.

Construction & Infrastructure

Pipes, cables, insulation, and materials for smart cities.

Agriculture & Irrigation

Drip irrigation, greenhouse films, silage bags, and water management solutions.

Exports & Global Trade

Strengthening India's position in global plastics manufacturing.

Automotive & Transportation

Lightweight parts, fuel efficiency, and electric mobility solutions.

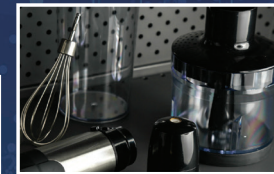

Healthcare & Medical Devices

Pharma packaging, disposables, diagnostic tools, life-saving equipment.

Consumer Durables & Electronics

Appliances, gadgets, and electronics housing.

Government Policies, Investments, Support & Schemes

Make in India & Atmanirbhar Bharat

Boosting domestic plastics manufacturing & reducing imports.

PLI Scheme

(Production-Linked Incentive)

Incentives for petrochemicals, packaging & specialty plastics.

MSME Support & Credit Schemes

Easy loans, subsidies & technology upgradation for small-scale plastic units.

Skill India & PMKVY

Workforce training in plastic engineering, moulding, and processing.

Export Promotion Schemes

Duty drawback, EPCG, and incentives through Plastics Export Promotion Council (PLEXCONCIL).

Recycling & Sustainability Initiatives

Extended Producer Responsibility (EPR) under Plastic Waste Management Rules.

Petrochemical Investment Regions (PCPIRs)

Dedicated hubs for large-scale plastics & chemical industries.

Startup India & Innovation Support

Encouraging R&D in biodegradable plastics and advanced polymers.

About Plastfocus

Plastfocus isn't just an exhibition – it's a movement. A grand convergence of innovators, machinery giants, sustainability disruptors and global buyers – all under one roof. It is where 21st-century plastic manufacturing finds its biggest spotlight.

Our Vision

To position India as a global leader in sustainable plastics manufacturing, recycling, and innovation, and to drive the sector's transformation towards a circular economy, in line with the Sustainable Development Goals.

Mission

To unite the Indian and international plastics industry for sustainable growth, innovation, and global competitiveness, by fostering partnerships, advancing government initiatives, and promoting responsible production and consumption.

Aligned with Global SDGs

Plastfocus 2028 supports SDGs 8, 9, 11, 12 & 13 by fostering industry innovation, sustainable cities, responsible production, and climate resilience.

Why You Can't Afford to Miss Plastfocus 2028

- Meet decision-makers from manufacturing giants & government bodies
- Unlock massive India + Asia-Pacific market access
- Discuss JV, tech partnership & localisation strategies for Made-in-India
- Deep-dive into new-age packaging, recycling & circular economy trends
- Promote your brand in front of real buyers, not just browsers
- Get insider access to where the Indian plastics market is heading

Exhibitor Profile

Machine Manufacturers

- Blow Moulding Machines
- Extruders & Extrusion Lines
- Injection Moulding Machines
- Vacuum & Thermoforming Machines
- Rotating Moulding Machines
- Packaging Machines
- 3D Printing Machines
- Pre-processing & Recycling Machines
- Post Processing / Converting Machines
- Reactive or Reinforced Resins Machines
- Printing & Finishing Machines
- Recycling Machines
- Bag & Sack Making Equipment
- Measurement & Testing Equipment
- Rubber Processing Equipment
- Parts & Components
- Plastic Welding Equipment
- Auxiliary & Testing Equipment

Raw Material Suppliers / Services

- Additives
- Masterbatches
- Bioplastics
- Coating Compounds
- Thermoplastics
- Reinforcing Fibres / Materials
- Rubbers & Elastomers
- Resins & Intermediates
- Semi-finished Products
- Colour Pigments
- Fillers
- Composite Material
- Adhesives & Glues
- CAD/CAM/CAE Software
- Experts & Consultants
- Synthetic Fibres

Moulds & Dies

- Mould Designers
- Mould Creators

Finished Products

- Manufacturers
- Semi-finished Products
- Plastic Tooling & Engineering Products
- Bio-plastics & Degradable Plastics
- White Label Manufacturers

Emerging Technologies

- Material Formulating / Compounding
- 3D Printing
- ERP Software Providers
- E-Commerce Platforms

Recycling & Green Solutions

- Machinery
- Technology
- Software
- Consultants

Space Booking:

Space Type	Bare	Shell
Member Space Sale	Rs. 9,900	Rs. 10,900
Non-Members – Space Sale	Rs. 11,700/-	Rs. 11,700/-
Foreign Space Sale	Rs. 18,000/-	Rs. 22,500/-

Plastics Machinery Manufacturers
Association of India

PMMAI – Driving India's Polymer Revolution

PMMAI represents India's finest machinery manufacturers, steering the sector toward automation, exports and global competitiveness. Through training, policy support and industry collaboration, PMMAI ensures Indian plastics machinery stands tall on the world map.

From a manufacturing body to a national force, the **Plastic Machinery Manufacturers Association of India (PMMAI)** is recognised by the Government as a core driver of jobs, GDP and global exports. PMMAI champions future-ready machinery, tech-upgradation and "Vocal for Local" excellence. It is the Backbone of Indian Plastics Machinery

India Expo Centre & Mart

India Expo Centre & Mart (IEMML) is the country's leading trade & business destination, enabling world-class exhibitions, networking, and trade opportunities. Spread across a sprawling 58 acres of land on the Greater Noida Expressway in Delhi NCR, IEMML is one of the largest integrated expo venues in India. Equipped with modern-day technological facilities, paired with pertinent conveniences and safety measures, it is suitable for hosting international business-to-business exhibitions, conferences, congresses, product launches, and promotional events. It primarily acts as a central contact point for overseas buyers and cottage-based manufacturers and exporters for conducting business.

ABOUT IEMML

**25 minutes from
New Delhi**

**40 minutes from Hazrat
Nizamuddin Railway Station**

**60 minutes from IGI Airport
20 minutes from Jewar Airport**

**A city very well connected
with Delhi NCR through Metro**

- ◆ One of the world's leading integrated exhibition and convention centres.
- ◆ In-House integrated services for a phenomenal experience and ease of doing business
- ◆ National Tourism Award for being 'Best Alone Convention Centre in India' by Ministry of Tourism, Government of India.
- ◆ Ability to organize events of any scale with flexibility
- ◆ Track record of two successful decades in organizing world class exhibitions and events
